VVAN: Force of the Forrest to Hit Theatres on May 15, 2026

May 16, 2025: The much-awaited folk thriller VVAN: Force of the Forrest, starring Sidharth Malhotra and Tamannaah Bhatia, is now set to release in theatres on May 15, 2026. This film marks the first-ever collaboration of Sidharth Malhotra and Tamannaah Bhatia along with Balaji Telefilms Ltd and TVF.

Set deep in the mystical heartlands of Central India, VVAN takes audiences on a thrilling journey through untamed forests, ancient legends, and hidden temples. Shot in real forest locations, the film promises a visually rich and immersive cinematic experience.

Directed by Deepak Mishra and Arunabh Kumar and produced by Ekta Kapoor, VVAN is backed by Balaji Motion Pictures in collaboration with The Viral Fever (TVF). Together, they bring a unique blend of grand storytelling and emotionally grounded narratives.

Previously, the makers unveiled two striking posters featuring Sidharth Malhotra and Tamannaah Bhatia, offering a first glimpse into their intriguing characters. With a captivating aesthetic and an air of mystery, the posters set the tone for what promises to be a gripping folk thriller. Rooted in Indian folklore, VVAN: Force of the Forrest dives into a world where myths come alive and the wilderness holds secrets waiting to be uncovered.
